² Note that not all TAC-advice comparison were included in the analysis for each year (comparisons were excluded when the relevant advice was not available), so this list contains all TAC-advice comparisons that feature in the analysis for at least one year between 2015 and 2024. The column "Process from 2021" indicates for each TAC-advice comparison whether this is dealt with by the EU alone at December Council, or through negotiations between the EU and the UK.
